

## APPLE TREE ORTHODONTICS – COVID-19 CANCELLATION

To our patients and their family,

In light of concerns surrounding coronavirus and in response to the latest recommendation from the White House and the New Hampshire Dental Society, we are suspending all non-essential care for at least the next several days through the end of March. We plan on Re-opening Monday, April 6, 2020 unless Federal/Local guidelines change. We will communicate any changes via email/Facebook/Instagram.

If you have an appointment scheduled within that time period, we will contact you as soon as possible to reschedule. This will help us to manage the overall appointment calendar in order to best address everyone's needs.

Dr. Polgrean is reviewing each patient's treatment status as appointments are rescheduled to minimize the impact this delay will have on your overall treatment time.

If you have an urgent need during this time we will be available for emergency appointments. Please call our office so we may determine the best course of action for your specific situation.

We look forward to seeing you back in our office soon.

Kindly,

Dr. Rachel J. Polgrean and Staff
